Letter from the Editor

In December 2021 the records and information management profession lost a giant, Virginia A. “Ginny” Jones. Ginny was a CRM, an ICRM Past Regent (Certification Standards), author, and a friend. To learn more about Ginny do read Michele Trader’s article about Ginny. Michele worked with Ginny for 12 years.

Last July the ICRM conducted a salary survey of the membership. Look for the results of the survey coming soon.

Here is another set of ICRM reception photos from the 2012 ARMA International Conference for your viewing pleasure.

I find myself humbled writing this serving as the president of this excellent institute. I can tell you the efforts that have gone in by the volunteers over the past few years are nothing short of tremendous. The passion and the focus the volunteers bring to this institute are incredible, and I’m honored to work among them.
